HEALTH & SAFETY

All Thomson Trees employees hold the required National Proficiency Test Council (NPTC) certificates of competence for any tree work being undertaken.

All our employees have also received basic health and safety training applicable to their responsibilities. Our health and safety policy is available on request.

We can also provide details of our compliance with risk assessments and the following regulations:

- The Provision and Use of Working Equipment Regulations 1998 (PUWER)
- The Lifting Operations and Lifting Equipment Regulations 1998 (LOLER)
- The Personal Protection Equipment Regulations 1992 (PPE)
- The Control of Substances Hazardous to Health Regulations 2002 (COSHH)
- Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 1995 (RIDDOR)

All works procedures incorporate safe systems of working and form part of the internal quality control.
